Dear Madam:

Yours esteemed of Jan.  
day received - Thanks -

"The American Numismatic Association"  
including the United States &  
Canada publish a monthly  
Official periodical viz.  
"The Numismatist," and we  
would highly appreciate if  
you would assist us to re-  
produce the Harriman Medal  
in the publication by ob-  
taining a specimen or of  
the Medal for fair purpose.

J.

The Association is not affiliated to the American Numismatic Society in N.Y. City, although the Society utilizes our publications for their Annual report etc -

The writer is familiar with the medal and he is anxious to bring the same before the Public in the way mentioned, among others Domestic & Foreign medals -

Yours Respectfully  
J. de Lagesville Jr.

Dear Sirs:

May I inquire from you concerning the enclosed letter? This gentleman wrote asking Mrs. Harriman to give one of the medals to the Society, but having already sent one to your office, she gave him that information. This letter came in reply.

Is there more than one society and do you know anything of this?

Thank you for any information or advice you may give,

Sincerely yours,

Dear Madam:

Replying to your favour of January 21st, enquiring about the American Numismatic Association, I beg to say that the Association is a general organization covering Canada and the United States, with, I think, about one thousand members. Its objects are general dissemination of numismatic knowledge through its publication The Numismatist. Its aim is to interest the less advanced students. It has no fixed headquarters, and, as far as I know, has no special collection of coins or medals. Its President is Mr. Moritz Wormser, 95 Fifth Avenue, New York City. A large proportion of our members are also members of the Association.

We should be very glad to have the Harriman Railway medal photographed for publication in The Numismatist at any time that such use of our specimen may be required.

Trusting I have given you the information which you desired,

Very truly yours,

Curator

My dear Mr. Wood:

Mrs. Harriman received your letter of January 23rd and thanks you for the explanation of the American Numismatic Association.

Mrs. Harriman asks if you would be kind enough to arrange for the Harriman medal to be photographed for The Numismatic? She will of course pay the expense.

I have not been able to find the letter from the party in New Jersey who made the request, and am wondering if I forwarded his letter to you in the first place. In any case, I suppose you know who would have charge of such a matter in the Association.

Yours very truly,

Dear Sirs:

Mrs. Harriman is resigning from most of the clubs and organizations in which she is a member, for the reason that she has not the time nor the strength to continue to be active.

Will you, therefore, have her resignation accepted at the next meeting of whatever committee acts upon such matters.

Yours very truly,
